Key Knowledge

- A vehicle can be a car, bus, lorry, horse box etc
- Children often play with wooden block vehicles which are free running as they are robust, fairly cheap and easy to hold for small fingers.
- Safe, accurate sawing involves keeping your arm straight and steadying the wood with your non-writing hand.
- Safe drilling - ensure wood is always horizontal and tight in the vice.
- Sanding - the smoother your sanding the less friction and nicer finish.
- Measure twice - cut once!
- Ensure dowels are equal in length.
- Apply acrylic paint as a base coat and allow to dry fully.
- Edit plan through the whole process.
